Following publication of the original paper [1], the authors reported an error in the acknowledgements section. The updated acknowledgements section is given below and the changes have been highlighted in **bold typeface**.

Acknowledgements

The authors thank Skok lab members for helpful scientific discussions, New York University School of Medicine High Performance Computing Facility (HPCF) for computing technical support, Adriana Heguy and the Genome Technology Center (GTC) core for sequencing efforts, Applied Bioinformatics Laboratories (ABL) for providing bioinformatics support and helping with the analysis and interpretation of the data and the NYU Flow Cytometry and Cell Sorting Center for FACS analysis and sorting. GTC and ABL are shared resources partially supported by the Cancer Center Support Grant P30CA016087 at the Laura and Isaac Perlmutter Cancer Center. **The authors would like to acknowledge that Elphege Nora and Benoit Bruneau contributed unpublished cell lines for use in this article.**
